Subject: CLARIFICATION: New Content on DAIDS RSC Website

Good morning,

The following content changes have been posted to the DAIDS RSC website:

- The PDF and PowerPoint presentations **Documentation of Pediatric Risk/Benefit Category** and was deleted from the Regulatory Presentations page.
- The PDF **Children in Research: 45 CFR 46 subpart D** was deleted from the Protocol Registration Page and replaced with a link to DAIDS' policy hosted on NIAID's website.
- The PDF and PowerPoint file of the **Requirements for IBC and RAC Submissions** presentation were deleted from the Regulatory Presentations page and were replaced with a link, [Office of Biotechnology Activities - Recombinant DNA Program](#), on the Useful Links Page.
- The PDF of the **DPRS Training Presentation** has been deleted from the Protocol Registration Page (the PowerPoint presentation is still posted).
- All of the file names for documents posted to the site have been updated in an attempt to implement file-naming standards that better reflect the titles of the documents.

Here is a link to the RSC Web site:

<http://rsc.tech-res.com/>

If you were linking directly to any file on the RSC web site, you will have to update your links since some files are archived and new files are renamed.

To view a list of recent updates to the website, go to <http://rsc.tech-res.com/> and click on "Website Update Log" at the top of the home page.

Regards,

RCC Web site Maintenance
