Subject: New Content on DAIDS RSC Website
Date: Thursday, September 15, 2011 12:34:36 PM

Good afternoon,

The following content changes have been made to the DAIDS RSC website:

- The information in the *Policies and Procedures* tab has been moved to the *Regulatory Information* tab. Though the *Policies and Procedures* tab has been removed from the group of tabs on the left, the page is still live (at <http://rsc-beta.tech-res.com/policiesandregulations/>) and accessible to anyone from alternate navigation or those who might have bookmarked it.
- The safety workshop presentations on the *Regulatory Presentations* tab have been removed.

Here is a link to the DAIDS RSC Web site: <http://rsc.tech-res.com/>

If you were linking directly to any file on the DAIDS RSC web site, you will have to update your links since some files are archived and new files are renamed.

To view a list of recent updates to the website, go to <http://rsc.tech-res.com/> and click on "Website Update Log" at the top of the home page.

Regards,

DAIDS RSC Website Maintenance
