Subject: DAIDS RSC Website Update
Date: Monday, August 07, 2017 1:21:53 PM

Good Afternoon,

The following content has been updated on the DAIDS RSC Website:

- **Home Page – News – Broadcast Memos:**
 - A Broadcast Memo has been posted announcing the release of the new safety eLearning course called the “DAIDS Expedited Adverse Event (EAE) Reporting eLearning Course”. The Broadcast Memo can be viewed at <http://rsc.tech-res.com/news/broadcast-memo>.
- **Clinical Research Sites – Safety – DAERS – Accessing DAERS**
 - A link to obtain access to the DAIDS Expedited Adverse Event (EAE) Reporting Learning Course on the DAIDS Learning Portal has been posted. The link can be viewed at <http://rsc.tech-res.com/clinical-research-sites/safety-reporting/daers>.
- **Clinical Research Sites – Safety – Training & Resources – Training to Obtain DAERS Access**
 - The link to the DAIDS Expedited Adverse Event (EAE) Reporting Learning Course on the DAIDS Learning Portal training on the DAIDS Learning Portal can also be viewed at <http://rsc.tech-res.com/clinical-research-sites/safety-reporting/safety-training-resources>.

Here is a link to the DAIDS RSC website: <http://rsc.tech-res.com/>.

If you were linking directly to any file on the DAIDS RSC website, you will have to update your links since some files are archived and new files are renamed.

To view a list of recent updates to the website, go to <http://rsc.tech-res.com/news/web-update-log>.

Thank you,

DAIDS RSC Website Maintenance
