Update to the DAIDS Protocol Registration (PR) Policy and Manual

On April 30, 2015, the revised version of the DAIDS Protocol Registration (PR) Policy and Manual were released. The updated version of the Policy and Manual go into effect on May 27, 2015.

DAIDS encourages anyone responsible for the submission of protocol registration materials to read the revised version of the Policy and Manual Documents available in the NIAID website at:

- **Protocol Registration Policy** (PDF)
- **Protocol Registration Manual** (PDF)

Key changes to note in this version of the Manual are:

1. Requirements of Financial Disclosure by clinical investigators.
2. Additional explanations on “how to complete the Form FDA 1572/DAIDS IoR Form”.
3. Information on inclusion of IRB/EC/RE required language in Site-Specific ICFs
4. Updated Appendix A: Instructions on How to Submit Protocol Registration Materials through the DAIDS PROTOCOL REGISTRATION SYSTEM with the most current information on DPRS Submissions

In addition, the [FAQ](#) on the DAIDS RSC website (link) have been updated to reflect the changes in the revised PR manual.

If you have any questions about the Protocol Registration Policy and Manual please feel free to contact the DAIDS Protocol Registration Team at NIAIDOPCROPRT@niaid.nih.gov.
